

FULL SERVICE FEES

Some of our services are presently available only to Washingtonians while others are available for all states, e.g. Bankruptcy Chapter 7, Emergency Chapter 7 and all Estate Planning services.

All services listed here are available in-office to Washington State residents. Many of these same services are offered at a discounted price online where you complete a questionnaire from the comfort of your home and return it to us by secure email/file upload, fax, mail, or drop off at one of our offices.

Unless specifically listed, all services are performed by an independent paralegal and not an attorney. So visit us at www.doityourselfdocuments.com. Prices are subject to change without warning.
